## FJ LAYERING SYSTEM

From the #1 all weather brand in golf, FootJoy introduces the FJ layering system. Developed to meet the specific needs of golfers who desire clothing that regulates body temperature and adapts to changing weather conditions, the new system includes thinner, stretchable, breathable materials that allow for full range of motion throughout the golf swing. Make every day playable.

FJ Men's Outerwear is available in two different cuts. The notation of F or A next to the size charts indicates a Fuller or Athletic fit.

“It’s a challenge to stay warm and dry in changing weather conditions. Layering with thinner materials allows me to adapt during any weather without affecting my swing.”

Steve Stricker

**FJ LAYERING SYSTEM**

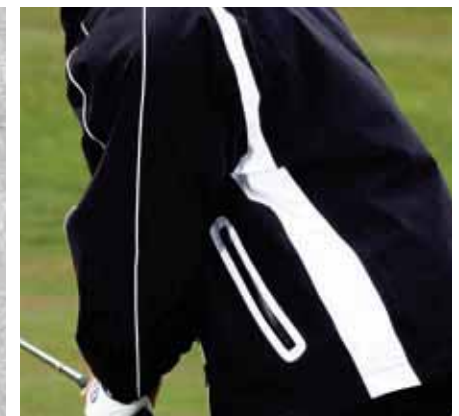

The DryJoys Tour Collection Rain Jacket provides Tour proven waterproof protection, breathability and maximum comfort during the golf swing.

**Features and Benefits**

- **Two-Year Limited Waterproof Warranty** (under normal use)
- **The DryJoys Tour Collection Rainwear** is completely waterproof, breathable, windproof, lightweight, comfortable & quiet
- **FJ Protect Waterproof System** - provides maximum protection in the toughest golf conditions, easily beads water and repels it from the shell
- **All Seams are Sealed** - for maximum waterproof protection
- **FJ Four-Way Stretch Shell** - allows complete range of motion during the golf swing
- **Smooth Stretch Lining** - compliments the outer shell to provide the ultimate range of motion the golf swing requires and additional comfort
- **Exclusive "It's a Cinch"™ System** - adjusts the fullness of the jacket by pulling the cinch-cord, accessed through the side pockets
- **Two-Way Waterproof Front Zipper** - for added waterproof protection
- **Inside Scorecard Pocket** - keeps scorecard dry
- **Lower Side Pockets** - for hand comfort and warmth with waterproof zippers
- **Adjustable Waterproof Cuffs** - for a customised fit
- **Tour Proven**
